

Marinating in God's Word:

John 6:25-28, Ephesians 4:7, 11-12

Tommy talked about his reflections: "If he could do it all over again..." Have you thought about that? What are some of "those things" for you?

Have you served in a leadership role at work or in the community or at church? In your leadership role, how have you "groomed" (or discipled-or mentored & prepared) your successor(s)?

Tommy told a golf pro "NOT to raise his son!" Rather, "Disciple his children!." Agree or disagree? How have we discipled our children and grandchildren rather than simply "raised them?" How do you think churches can be more effective and intentional to help in family discipleship? Church-wide discipleship?

Tommy had an audience to try to pass on his reflections (here, in a sermon). Have you thought about how you could do so with your children or grandchildren or a neighbor without "turning others off?" How about now - given the Covid restrictions? How about now using technology that "we" may not be as "up to date" with and as comfortable with-as those with whom we seek to share?
